Hemby Bridge Fire Chief Johnny Blythe met with Council to present the finding of the Fire Study of Western Union County. Chief Blythe discussed how development and growth in Indian Trail, Stallings, Hemby Bridge and Lake Park have surpassed the current fire safety system and the changes that are needed to keep everyone safe. The next step in the process is to develop a Strategic Plan on what the changes will look like. Each municipality has been asked to have two representatives on the Strategic Plan Committee. Chief Blythe will let each municipality know when the first meeting will take place. James Record and Cheri Clark have volunteered to represent the Village.

Respectfully submitted,

Mayor David Cleveland

Village Administrator, Cheri Clark
